

WARRICK COUNTY RECYCLING & RESOURCE MANAGEMENT DISTRICT

“ANNOUNCEMENT”

BEGINNING Friday, July 01, 2016

FEE CHANGES:

On Thursday, June 16, 2016 the District's Board of Director's made operational changes to the Minimum Fee and Yard Waste Fees at its Pelzer Road Facility. Those changes are as follows;

1. **Minimum Trash Fee;** Currently the District charges a minimum fee of \$10.00 for up to 333 pounds that individuals bring to the scales at the Pelzer Road Bulk Disposal Center. Beginning Friday, July 01, 2016 that minimum fee will increase to \$15.00 for up to 500 pounds.
2. **Yard Waste Disposal/Processing Fee;** Currently the District does not charge for Trees Limbs less than 3" in Diameter or for brush and other wood waste debris. Due to escalating processing costs coupled with the District's Budget constraints the District is no longer able to offer this free service. Effective July 01, 2016 the District will begin charging \$0.02 per pound for all tree limbs, brush and related wood waste materials.

There are **NO CHARGES** for Recyclable Materials or grass clippings and leaves brought to the District Drop-Off Centers.
